HOW IT WORKS

ScriptaLegal was designed to virtually guide and assist the user in generating a personalized document.

The concept is simple:

1. You choose the document you need from our extensive list of available services;
2. You create your free user account;
3. You will then be asked to complete an interactive questionnaire. Throughout the questionnaire, you will find annotations, pop-ups, comments, explanations, definitions and references to applicable laws and regulations in order to easily understand and properly complete the questionnaires;
4. You pay with your credit card using our secure system;
5. Your document will automatically be generated in PDF format, you will only have to download it, print it and sign it.
