

# Tele-Interview Preparation

One of our tele-interview professional will contact you to complete your insurance application. You must reserve a 30 to 45 minutes period and have on hand the following information:

## Medical Informations

- Name and contact information of your doctor;
- Reason and result of your last visit;
- Name and contact details of any specialist consulted;
- Name and contact information of any hospital or medical clinic consulted;
- Name of medications and frequency of use;
- Medical diagnosis received; dates and treatments received;
- Medical treatments received from any health professional with details of dates and frequency;
- Absence from work, date and duration.

## Your Lifestyle

- Alcohol consumption per day, week or month;
- Tobacco use including Marijuana;
- Use of any other drugs;
- Driving record; number of offenses and reason;
- Criminal record;
- Dangerous activities or sports practiced and the frequency of these practices.

## Immediate Family History (parents, brothers and sisters)

- Diagnosis and age at the time of diagnosis
